(\*\*2) Part 2 was good, but part 1 was below the threshold. You have the option to do only part 2 in a future exam session, using only one hour of time. If you use this option you constrain your future mark to be  $\leq 20$ . For a better mark, you may redo the whole test.

(\*\*) Your mark is  $\geq 27$ , so you have the option to attend an oral test. If you choose to use this option, please send me an email as soon as possible.
