(*1) Part 1 was good, but part 2 was below the threshold. You have the option to do only part 2 in a future exam session, using only one hour of time. If you use this option you constrain your future mark to be ≤ 20 . For a better mark, you may redo the whole test.

(*2) Your mark is ≥ 27 , so you have the option to attend an oral test. If you choose to use this option, please send me an email as soon as possible.
